

BRITISH SAFETY SERVICES

Passionate About Safety

CONSULTANCY

BSS is an international health, safety and environment training and consultancy company, specialising in improving safety awareness and performance in the workplace.

/ Safety Management Support

It is widely accepted, that adopting and implementing a professional safety strategy will help reduce accidents in the work place, improve performance and help with the retention and recruitment of staff and customers.

BSS offer the complete range of health, safety and environment management support including:

- ▲ Auditing and Risk Assessments
- ▲ Developing strategy, integrating safety into management systems
- ▲ Drafting safety, environmental policies and procedures to comply with legislation and best practice
- ▲ Implementing strategy, policies and procedures
- ▲ Developing solutions to help individuals working in dangerous conditions or with hazardous chemicals
- ▲ Maintaining systems and monitoring performance
- ▲ Accident investigation
- ▲ Training needs analysis
- ▲ Delivering internationally accredited training courses

BSS understand the commercial implications behind implementing a safety management system. BSS consultants are used to working with Human Resources and Finance professionals, suppliers and contractors on behalf of our clients to ensure the successful implementation of any safety strategy.

/ Professional Consultants

Health and safety covers many areas and the BSS consultants are highly trained to professional standards with 15 years minimum experience.

When you hire a consultant you want to be assured that they know and understand your industry. BSS has worked with clients from a wide range of industries, including:

- ▲ Construction and Property Development
- ▲ Oil and Gas
- ▲ Offices / Commercial
- ▲ Facilities Management
- ▲ Manufacturing
- ▲ Project Management
- ▲ Security
- ▲ Training

/ Accredited Safety Training

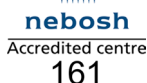

As part of implementing health, safety and environmental solutions, BSS can identify and deliver the training needs for staff from a wide range of internationally recognised accredited training courses including NEBOSH and the CIEH. Training can be carried out on site or at a specialist centre.

/ Internationally Recognised

Established in 1990, BSS has its head office in the UK and regional offices in:

- ▲ Algeria
- ▲ China
- ▲ Dubai
- ▲ Libya
- ▲ Manila
- ▲ Mumbai
- ▲ Qatar
- ▲ Yemen
